United States Attorney Deborah R. Gilg, The Lincoln Police Department, Lancaster County Sheriff's Office and the Federal Bureau of Investigation announce the following information for the attention of the media:

**Event Triggering this Release:**

The Honorable Warren K. Urbom, United States District Judge, sentenced Jonair Moore to 24 years and four months in prison for conspiring to distribute cocaine and crack cocaine in Nebraska. Moore's possible sentence range was increased following a ruling by Judge Urbom that Moore had obstructed justice by committing perjury at trial.

A federal jury returned a guilty verdict against Jonair Tyreece Moore on Tuesday, December 15, 2009. During the trial, which began December 7, the government presented a number of witnesses who testified to conspiring with Moore to distribute cocaine and crack cocaine in Nebraska. Some witnesses bought cocaine from Moore which they converted into crack. Other witnesses made multiple purchases of crack cocaine from Moore in amounts that ranged from a quarter of an ounce to multiple ounces at a time. YouTube videos of the defendant performing rap music during which he referenced his association with cocaine and drugs, were also submitted into evidence for the jury's consideration along with photographs from Moore's social-networking site of someone holding large amounts of currency with the statement "two days before federal warrant was issued." Moore was also ordered to serve five years of supervised release following completion of his sentence.
